Department of Land and Natural Resources

Subject: Draft Environmental Assessment (DEA) for the Pastorek Single Family
Residences in the Conservation District located at Maku'u, Puna, Hawai'i, Tax
Map Key (TMK): (3) 1-5-010:026 & 027

The Department of Land and Natural Resources has reviewed the DEA and notes that the project may not be consistent with the Conservation District. However, the subject document does appear to be prepared in accordance with the Hawai'i Revised Statutes Chapter 343 and the Hawai'i Administrative Rules (HAR) 11-200.1. It is anticipated that a Finding of No Significant Impact (FONSI) may be determined based upon the information provided. Please publish notice of availability for this project in the June 23rd, 2022, edition of *The Environmental Notice*.

Please contact Tiger Mills of our Office of Conservation and Coastal Lands staff at (808) 587-0382 or kimberly.mills@hawaii.gov should there be any questions.
